

John Durand Scholarship Program

Scholarship Funds Available for 2024-2025 Academic Year

Do you know a student who could use \$500 for school expenses? The John Durand Scholarship Program can help. Any student admitted to or attending an accredited post-secondary academic program in the United States and Canada is eligible to apply. Membership in the Durand Heritage Foundation (DHF) is not required.

For twenty-one years, the DHF newsletter has chronicled the story of these annual scholarship awards - **82 scholarships to date, totaling nearly \$37,500** - and the letters of appreciation from the students who received them. Thanks to the generosity of loyal DHF donors across the country, the John Durand Scholarship Program will continue its positive impact on the DHF family and the community-at-large. Please encourage the students in your family or community to apply.

But hurry! The application deadline is April 15, 2024.

About the John Durand Scholarship Program

Purpose

The John Durand Scholarship Program provides scholarship awards in two areas.

- 1) Academic Scholarship: financial assistance to students in or admitted to accredited academic programs.
- 2) Durand Family Research: financial assistance to individuals who research and write about Durand family history or events significant to Durand family history.

Program Background

The John Durand Scholarship Program was originally established in 2002 with memorial gifts and donations received by the family of John Adelard Durand after his untimely death at age 37.

John Clifford Durand (John Adelard Durand's father) died in 2020. This scholarship honors them both.

Each year the scholarship program makes five Scholarship Awards. Because of DHF's continued fundraising, cash donations, gifts, and bequests, the scholarship awards are now \$500 each unless otherwise determined by the DHF board.

Research Awards are available as funds permit and may be made at any time.

Administration

The John Durand Scholarship Program funds are managed in accounts separate from DHF operating funds. A committee manages the application process; evaluates the applications, and nominates the awardees to the DHF board which has final approval of the awards.

Eligibility

Awards are made without regard to race, color, religion (creed), gender, gender expression, sexual orientation national origin (ancestry), disability, marital status, military status or relationship to the Durand family. All applicants currently enrolled in or accepted into a post-secondary course of study in an accredited educational program in the United States and Canada are eligible. Preference is given to first time applicants but former awardees or applicants may also apply. The evaluation criteria is based on academic record, community involvement and personal statement of intention.

Any application, no matter how outstanding, is automatically eliminated if it is not complete.

Please check application carefully to insure that all required materials and information are included.

THANK-YOU!

After 14 JohnnyRides, we have achieved our long-term goal. Our scholarship program is now self-sustaining. No more JohnnyRides to raise scholarship funds! The Durand Heritage Foundation can now award JohnnyRide scholarships every year, well into the future. Thank you all who donated time, work, raffle baskets, and dollars!

You're the best!
